

Lamoine Withdrawal Committee Meeting July 17, 2012  
Town Hall 6:30 p.m.  
Minutes

Present: Jones, McFarland, Stewart, Donaldson

Brett called the meeting to order at 6:30.

Distributed data provided by the RSU (see checklist of items delivered)  
Discussed which of the Agreement's eleven sections the information might help us with. Various committee members took information to examine.

Discussed a draft of the Agreement, section by section that Gordon drew up. He followed the pattern in the successful Starks agreement and modeled other parts from the Glenburn-RSU26 draft.

Agreed to submit this draft to the RSU in order to get a start on the negotiations process.

Respectfully Submitted,

Doug Stewart, Secretary
